

## WORKSHEET 10 – EXAMPLE OF AN INVITATION TO A VIRTUAL PARTY

### VIRTUAL CHRISTMAS PARTY

You are invited to a virtual Christmas party. Are you unable to go to a normal Christmas party? Do not despair; there will be a Christmas party for us here at Facebook too. Log on in the afternoon or the evening and say hello to the others. This can be done in just as small or large portions as you can cope with. You can also add food and other activities – see below.

Time: (When it suits you)

Place: In your home

Posture: Relaxed (lying flat if you like)

### FOOD:

Whatever you can tolerate, but feel free to choose something that puts you in Christmas mood, for instance Christmas tea. If you cannot tolerate Christmas food, go for the cocktail party version: sparkling water and olives.

### DRESS CODE:

Santa hats are allowed. Upload a photo of yourself if you decide to dress up as a Christmas tree, reindeer or sleigh.

Decorations are optional, but you can create Christmas ambience with Christmas decorations and Christmas music.

### ACTIVITIES:

If you absolutely have to do more than look at the Facebook page and eat something good, you can make Christmas cards, decorations or the like.

LOOKING FORWARD TO SEEING YOU, AND MERRY  
CHRISTMAS!
